Diseases of the Throat and Lungs. nary organs are so prevalent and fatal, that a safe and reliable remedy for them is invaluable AYERS

drugs, chemically united, to insure the greatest possible efficiency and uniformity of results, which enables physicians as well as invalids to use it with confidence. It is the most reliable remedy for diseases of the throat and lungs that science has produced. It strikes at the foundation of all pulmonary diseases, affording prompt and certain relief, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it without difficulty. In the treatment of ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergyman's Sore Throat, Asthma, Croup, and Catarrh, the effects of Ayer's Chemey Pectoral are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household, for the protection it affords in sudden attacks. In Whooping-cough and Consumption there is no other remedy so efficacious, soothing, and helpful.

The marvelious cures which AYER'S CHERRY PECTORAL has effected all over the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the most sceptical of its wonderful curative powers, as well as of its superiority over all other preparations for pulmonary complaints.

Eminent physicians in all parts of the country, knowing its composition, recommend Aven's Cherry Pectoral to invalids, and prescribe it in their practice. The test of half a century has proved its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid. Prepared by Dr. J. C. Ayer & Co.,

It is almost needless to say that this preparation, for an effectual and certain cure for-Dysentery, Acute and Chronic Diarrhæa, Flux, and all kindred diseases, far excels any other known remedy. It not only cures the disease, but strengthens the intestinal organs and invigorates the entire system. We do not claim it to cure every thing, but we guarantee it to cure the diseases we name above. For children it has no equal, being both mild and safe in its effects; and for females it is the best strengthener and appetizer known. Can be taken at all times with perfect safety. For sale by all druggists.
